Piano Concertos Nos. 23-27 In Full Score (Dover Music Scores)

Synopsis

This volume contains Mozart's last five piano concertos: No. 23 in A Major, K488; No. 24 in C Minor, K491; No. 25 in C Major, K503; No. 26 in D Major, K537; and No. 27 in B-flat Major, K595. As a bonus in the piano-plus-orchestra genre, the brief Concert Rondo in D Major, K382, has been added along with Mozart's own cadenzas for Nos. 23 and 27. The music is photographically reprinted from the Breitkopf & Härtel text, still considered the standard, authoritative edition for the Mozart concertos. Noteheads in this edition are large enough to be read easily, and margins and spaces between staves permit written notes, harmonic analysis, fingerings, and running measure numbers. Since Mozart's piano concertos are frequently performed in concert and there are several recordings currently available for each of these pieces, this edition is extremely useful for study, reference, and enjoyment.

Customer Reviews

This contains Mozart's last five piano concertos in full score, plus cadenzas for Nos. 23 and 27, and

the Concerto Rondo in D Major, K. 382. Its a pretty thick at over 300 pages. I am happy with the purchase. If you like Mozart then I definitely recommend this.

A wonderful score. I purchased all 5 books of the 27 concertos and it's excellent. As a pianist and more so a musician, having the scores befits all to a high standard of genius work
