## Customer Reviews

Book by Tchaikovsky, Pyotr Ilyich

This K&F&N Music Budapest Edition includes two sonatas: The "Grande Sonate" Op. 38 in G major and the C# minor "Sonate" wrote in 1865. This book is the third volume in the "Complete Tchaikovsky Works Collection". The music is finely printed, with the clearness and optimal size that makes a K&F&N Edition one of the best. At the end of this volume there is a short biography about Tchaikovsky that contributes to know more about this fantastic composer. As a K&F&N Edition, it is urtext, so it is as closer to the manuscript as it could be. Editor's notes and sources are presented at the end of the book. This is a great acquisition because of the rarely played music that it contains!
