Hebrews Had Dark Skin: Evidence In The Old And New Testaments

Synopsis

Why are there so many references to the Hebrews having dark skin, and none of them having white skin in scripture? Why were they mistaken for Egyptians from the time of Joseph, up until the Apostle Paul began preaching? The debate as to whether or not the original Hebrews had dark skin, can be settled using scripture and history. There are verses all over the Bible that give us an indication of what the original Hebrews looked like, before they began to mix with the invading European nations.

Customer Reviews

I am greatfull for the simple information that is so clear even a child can understand it. Thank you for writing this book.

Dante always finds a way to arm his readers w/ TRUTH! The only weaponry needed to prepare us in these dire times of Spiritual warfare.

As a devout Christian, the knowledge of color shouldn't make any difference in my walk one way or

another. As a child of the Most High God and a follower of His Son JESUS, my brothers and sisters come from every walk of life. I still fail to grasp what color has to do with it? If who you are is what color you think Our Lord and Saviour was, your no child of His, HE made them all!

The writer has kept it short but to the point. I appreciate his ability to share scripture references along with historical picture which help to prove his points. Rev. Milferd Brock Sr.

Biblical proof that the real Hebrews were black people.

I thoroughly enjoyed this book . It brought to light many things I had already known but reinforced them . I highly recommend this book to those interested in the truth .

Complete evidence from the bible which prove that Hebrews were people of dark skin not white.
Very easy to read

Praise to TMH for the awakening of his people. Bless you Dante Fortson for your courage and sense of obligation to share the truth. Maybe we'll meet in the wilderness! Stay covered and truly blessed! Qam Yasharala!
