I create art in pencil, pen and ink, hand drawn digital art, charcoals, fine art oils, watercolors and markers. I have been drawing and painting since I was 5 years old and received my first commission for a magazine cover at age 11. I have illustrated adult coloring books, 90 published children's picture and coloring books, magazine and book covers, stories, t-shirt and website ad logos, cable TV ads, newspapers ads, greeting cards, print advertisements, retail displays, court room evidence, brochures, business cards, quilt designs, postcards, board games, calendars,

convention posters, cartoon art, truck wrap ads, billboards and gallery shows. I appeared drawing show contestants on ABC TV's "Dating in the Dark" 2009 and 2010 as a series regular. I was the featured guest on cable TV in Virginia the "Here and Now" show. I instructed art students in Cartoon Illustration at Queens College in NYC for 3 years as well as tutoring private students. I earned a BFA from the School of Visual Arts in NYC and studied digital art at Palomar College, Henderson, NV. All my art is Made in the USA.

Such a fun coloring book for adult and everyone. The line arts in this book are gorgeous, just like Jess Perna's other coloring books. What's great about this coloring book is a smaller size, easy to carry in my purse. It is top bound, great for lefties. It's one-sided which is great for marker users like me, although I put cardstock behind the page I'm coloring to avoid bleed through. I have the PDF version of this book which I colored in some pages already, which are shown in the flipthrough video.

Highly recommend all of Jess Perna's coloring books! Beautifully Illustrated Jess is an amazing artist. Coloring today is for all ages. I was just in a car accident where I was rear ended and the impact has severely hurt my back and I go through a lot of pain. I found that coloring took my mind off the back pain and I was able to release some tension. Coloring is in fact 'THERAPEUTIC'!! they'll make a great additional gift for Christmas that is right around the corner. Coloring is for everyone & all ages. Purchase one for your kids, grand-kid, mother, father, sister, brother, boyfriend, girlfriend, hell even for your dog who may feel like it needs a safe space Lol I only have one more purchase to make and I'll have all of this talented artist's coloring books and yes proud of it. Gotta love me some JessPerna Coloring Books!! ;)

what a fun coloring book. clean and beautiful illustrations. It's perfect size and wonderful for lefty since it's top bound, It also has place to write memo. Self publishing book so paper is like all other self publish paper. I was able to color with Alcohol base marker using bleeder page, great paper for colored pencils that allows few layers. I'm very happy with this book

Love this book. The pictures are so much fun. There are memo pages so you can write colors used, etc. I own all his books and love them.

This book is unique, refreshing and hilarious! Jess Perna is my most favorite coloring book artist and

this new mini edition is silly, fun and still consistent with the quality and expertise of his full-size and poster-size coloring books. This book is perfect for beginner and experienced colorists alike. "Lefties" will also love this book because it is bound at the top. Take a look at the pages I colored to get a feel for the comical fun!

Jess Perna is a very talented artist! Love the variety in his work.
