Customer Reviews

Started as a hobby in 1979, Zagat Survey is now the world's leading provider of consumer survey-based information on where to eat, drink, stay & play worldwide. With ratings and reviews based on the opinions of over 350,000 surveyors from around the globe, Zagat Survey has become the world's most trusted source to help consumers make informed decisions about restaurants, nightspots, hotels, attractions and other leisure activities. Zagat Survey is based on a simple premise; that the shared opinions of thousands of avid consumers with real experiences are inherently more accurate than the opinions of just one or two critics. Through our guides, we give people the power of a collective voice and the information to make smart decisions. --This text refers to an out of print or unavailable edition of this title.

I have used Zagat guides since it first came out as a single sheet of paper in Paris many years ago. I never travel to a place without a trusty Zagat guide. Living in the Chicago metro area, I use the

guide weekly. I do not eat at restaurants that are not reviewed by Zagat. I have found many restaurants in Zagat guides that I otherwise would have missed. I highly recommend the guide to everyone who likes good food and plans to eat out.

Maybe you really are a food snob. If you're reading a Zagat guide, it's more than likely that you are. I've found Zagat guides to be remarkably reliable for years. A great way to find out about restaurants you might not otherwise stumble upon.

Good product and good service.

I've been buying a ZAGAT Chicago restaurant guide for years. I've even submitted reviews. I try to get an updated version every year. The reviews are helpful, but do not always reflect my point of view about a particular place. I find the hard data that the guide provides the most helpful. The Cuisines and Locations sections have really enhanced my neighborhood culinary experience. The ratings and symbols guides are useful, but I find the addresses and phone numbers the best asset. When friends visit from out of town, I keep a copy in the car, so we're never at a loss for a restaurant choice.
