Dominican Republic, A Red Carpet Affair

Synopsis

This is a story of a man who decided to venture out into Hispanola on his own, engaging in a journey of uncertainty and met with discovery, delicious sex and love affairs that could not be stifled. Riveting and funny, this tale shares fears, tears and joy. It brings readers to a climax and an understanding about the beautiful island of the Dominican Republic and its people.

Customer Reviews

This was a short book about a man's first foray into the Dominican Republic. As an experienced traveller myself, I can appreciate the nuances of learning the ins and outs of a country upon first few days of arrival. Even though the book was a short read, it was too the point and lacking in the overly complicated prose that normally makes me fall asleep. The varied language was entertaining and the author even included a language key so you knew what he was saying when you read his slang words. Good for someone who wants a quick and dirty look at the Dominican Republic. I only docked one star as the formatting was sometimes a little choppy (the E-Book rearranges pictures and paragraphs which can be confusing) and a few words were misspelled. Unfortunately, I'm a bit of a grammar Nazi. That said - the book was worth its price. 10/10 Would buy again.

Difficult to read with the slang used. Could not find anything useful in it.

Well written and entertaining while providing a decent background on the DR scene. If you are looking to visit the DR then it would definitely be worth reading.

A very enjoyable read
