Borch, a cartographic publishing company from Germany, makes tough, long-lasting maps with non-toxic, environmentally responsible lamination material.

Perfect for getting to know downtown Philly!

Any "map geek" knows that paper maps will disintegrate in the rain or after being folded more than 5 times. A laminated map will keep forever.

Always good maps.

It's nice to have a map for reference when you're new to an area. And it won't wear out.
