Action Shooting Cowboy Style

Synopsis

The thunder of a Colt Peacemaker will ring in your ears as nationally known handgun expert John Taffin brings the lore of the wild west to the era of modern shooting competition. Feel the rich gun leather and taste the smoke of America's fastest-growing shooting game. Every aspect is explained for shooters of all levels. Join the fun of cowboy-style shooting. Let John Taffin take you from the general store where he'll show you the latest in old western garb, to the firing line where some of the fastest guns around drop the hammer in search of a winning score.

Book Information

Hardcover: 320 pages

ISBN-13: 978-0873417921

Product Dimensions: 11.3 x 8.8 x 0.9 inches

Shipping Weight: 2.9 pounds

Average Customer Review: 4.1 out of 5 stars 10 customer reviews

Best Sellers Rank: #307,332 in Books (See Top 100 in Books) #62 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Firearms & Weapons > Firearms](#) #195 in [Books > Sports & Outdoors > Hunting & Fishing > Shooting](#)

Customer Reviews

While this book may not address the exact how-to's of CAS (cowboy action shooting) as much as some other titles, that in no way takes away from the value of the book. This book is a goldmine of information about single action pistols of all kinds. It also reviews the roots of CAS as well as clothing, gear, leather, loads and reloading components. This has become one of my very favorite books, and I find myself re-reading it about once a year. Taffin writes in an honest, straightforward style that makes the reader feel that they are having an informal conversation with a trusted friend. Even if you only have an interest in old west guns, and don't even shoot CAS, this book will be an excellent addition to your library. I consider this Taffin's masterwork, and it will be very difficult for any writer to ever top it.

John Taffin provides excellent information on cowboy shooting in all his books and this book is no exception. I thoroughly enjoyed the discussions and examples of cowboy action firearms and the

various ammunition used. A valuable addition to any cowboy gun library.

Interested in Cowboy Action Shooting, then add this to your list to begin and as a future reference book. Helped me in every aspect of preparing for the coming season and my start in this fun, exciting sport,

I believe authors John Taffin and Craig Boddington share a common trait; both have found a method and style of writing that conveys a great deal of detailed information, educates and holds the reader's attention. "Action Shooting Cowboy Style" is an excellent book for any firearms enthusiast. I am not active in action shooting, but in a Hamilton Bowen / John Linebaugh frame of reference, I am a fan of single action sixguns. Like Taffin's 1997 book, "Big Bore Sixguns", "Action Shooting Cowboy Style" offers a good deal of insight into these types of handguns, making this information alone worth the price of admission. However, the new book goes much further in covering what is an incredibly popular sport, a sport perhaps more appropriately defined as a philosophy or life style. I enjoyed the book very much.

This is a good book on the subject. not quite as good as (all about cowboy action shooting) but still full of information not as much on lifestyle and social activities at shoots.

Simply put a must have book for anyone interested in Action Shooting: Cowboy Style. Well written by a extremely knowledgeable author with over 50 years of shooting.

good review on pistols

so so
