Story Mode: The Secret Diary Of Jesse: Episode 5: Order Up! (Minecraft Story Mode Book 7)

Synopsis

The New Order of the Stone was born. On a tip from Ivor, my friends and I head to an abandoned temple holding mysterious treasures. Ambushed by former Ocelot Aiden and his crew, we find ourselves in an entirely new world: Sky City! When Aiden convinces Sky City's ruler that the New Order of the Stone are up to no good, we'll need to make some tough choices to clear our name. Can we make it? Can we stop Aiden from destroying an innocent world? Story mode series adapt to the choices you make. The story is tailored by how you play. This is my story AND I made it into a diary.

This secret Diary of Jesse episode was my first official introduction to the previously undiscovered new order; of the: Order of the stoney ItÃ¢fÃ¢s like a definitive survival guide to save a world and clear your name mission while protecting yourself from the stone monsters. definitely a fun read. I recommend it

Order up is the fifth episode of the series and it teaches how to face a critical situation with courage. This series is so engaging that when I got back home after work my niece talks about the adventure of Jess and his friends of the book. I can feel that she really enjoyed reading it so much. I thank the writer of the series to be able to make the books humorous and at the same time educative. So for me, it should get more than 5 stars.

I am getting crazy about your Secret diary of Jesse, Minecraft. Wow, what a great book. My child does not let me sleep before I read him Jesse's story at the bedtime. It is a great way to spend quality time with my child. The graphics in the book appear so realistic that we have developed a special bond with the characters. Waiting for the next episode as I have loved and cherished all the episodes I have read till date. Awesome series !

I am head over heels in love with The Secret Diary Of Jesse. I have recently gifted this one to my 5 year old niece and she can't get over it. Well, can't blame her, I am too a big fan of this series. Honestly, this is a highly recommended book for all young and old readers.
