Customer Reviews

Excellent coffee table book - very good pictures and good words as well. Good balance of historical stuff and current interest. We lived there 40 years ago and our most recent visit was two months ago - we purchased this book as a current and sentimental reminder of all we have seen/done there. Frankly, it's the best "London" book we've seen! Well done!

Really cool book with beautiful pictures. The pictures are so high quality that it makes you feel like you are there looking at all of this in person. I bought it for my London-obsessed girlfriend for Christmas one year and she was absolutely in love! I say it's a great book for a London fanatic.

The book itself and pages are beautiful, but the type LONDON on the spine is upside down and backwards. As a coffee table book, that's sitting on top of it's companion, the Paris Book, the words

collide with each other. Paris is shown correctly, and LONDON is upside down and backwards. It's that way on the jacket and the book! EEKS! As a writer and designer, it's hard to get past this. That's a BIG mistake!

Sent as a gift and was very pleased!

A lovely coffee table book with beautiful pictures around London. It made a wonderful gift.

Love the high lights and the many places to visit

Spectacular book with the most beautiful pictures of the city. So happy with this purchase!

Beautiful pictures of what we are going to see this summer.
