Synopsis

Discover secrets from beyond the stars! Pathfinder Map Pack: Starship Corridors contains 18 full-color, 5 x 8-inch map tiles, stunningly crafted by cartographer Jason A. Engle, that combine to form elaborate starship passages and labyrinths from which no abductee might hope to escape! These halls perfectly complement the mysterious holds and bays found in Pathfinder Map Pack: Starship Chambers. Wet, dry, and permanent markers erase from the tiles! Price includes VAT.

Customer Reviews

Sort of weak, uninteresting mix and the card pictured on the cover isn't even in the set.

Expected Cardboard tiles, but got photo-paper like prints. These will still work, but I was hoping they would be more compatible with my other map pieces. Also, these are all very very dark. It's hard to see some of the rooms.

the product icon image doesn't match the tiles outcome. It is just a bunch of narrow corridors and intersection (two squares wide). Of the 18 pages there is no room, all colours are very dark. I would say that is almost useless. I'm not satisfied at all and I don't suggest it, it is much better to purchase a normal "dungeon" tiles; this set has nothing for a starship adventure.
