DIY Ink Blot Soutache Pendant With Swarovski Crystal, Practical Step By Step Guide On How To Make Handmade Soutache Jewellery

Synopsis

This master class is dedicated to making jewelry with soutache ribbons, which has been very popular among handmade lovers and fashionistas. You can combine matching and different color patterns and thus you will get an unexpectedly new and original result. During this lesson we will make an ink blot-shaped soutache pendant with a Swarovski rivoli in the center. You will learn different techniques both in seed beading and weaving with soutache ribbons. You can choose the color of the pendant of your own or follow my recommendations which you can see in the pictures. The size of your pendant will depend on the size of the rivoli you will use. I took a 14 mm Swarovski crystal for my pendant, that is why my pendant is 2 inches wide and 1.5 inches long. We will use:

1. Thread for seed beading
2. Needle for seed beading
3. Scissors
4. Soutache ribbons of 2 colors
5. 14 mm Swarovski rivoli
6. Delica beads 11/0 size Red
7. Seed round beads- 11/0 size Dark gold
8. Toho beads 15/0 size Dark gold
9. Beading foundation for embroidery work
10. Glue
11. Components (lobster clasp, two rings, 2 ribbon cramps
12. Two types of instruments: Round Nose pliers and flat nose pliers)

If you have any questions, feel free to contact with me. You are welcome to sell items you make from my beading tutorials you have purchased. Copying, selling or sharing my patterns is not permitted. See my Jewelry in Handmade Store: <http://www..com/handmade/poliness> Thanks for visiting my jewelry and tutorials shop!!!
