Words For Your Wedding

Synopsis

In the excitement of planning a wedding in all its detail, the beauty and meaning of the words exchanged can sometimes be overlooked. To help you find and create the perfect ceremony, ministers David Glusker and Peter Misner have compiled this do-it-yourself guide that walks you through the entire wedding ceremony, offering both contemporary and traditional readings and prayers. From the gathering words to the final blessing, this collection of wedding traditions lets you design a ceremony that is right for you—whether it is an established service, a combination of elements from various traditions, or a newly created celebration of your own. This practical resource for couples and ministers alike also includes special sections featuring: the civil ceremony, the Roman Catholic and ecumenical wedding, the Jewish wedding, tips for how to write your own service, and guidelines for renewing your wedding vows.

Customer Reviews

For vows that couples will never forget, this do-it-yourself guide is the reference book on the words spoken at a wedding. Includes Protestant, Roman Catholic, Ecumenical, Jewish, and civil ceremony traditions.

David Glusker and Peter Misner, ministers in Maine, have officiated at hundreds of weddings.

I bought this because we have been desperately searching for a single passage of intro text at the beginning of our ceremony. We already have everything else set. However, while this book had a lot

of interesting wordings for a lot of different religions, it was nothing like we were looking for. It was similar to the corresponding chapter in "The Everything Wedding Book." (Check it out, if you haven't -- LOTS more good info for the entire planning process!) This book might be a very good resource for vow readings, though, esp. if the bride and groom are of different faiths.

I have used this resource with couples for twenty years. Because I knew David Glusker, I was quite certain this would be a good resource. I have been extremely satisfied with his comprehensive approach. When my copy was misplaced, I simply had to order another.

This book was recommended to me by a senior pastor, and have gone through many copies. One problem, couples seem to forget to return it.

Awesome Book!!!!

A treasured classic for creating a worshipful marriage ceremony for every couple.....

A value book to add to my resources for my clients in my role as a Marriage Celebrant when researching for their ceremonies

Item was used but just as expected. Needed it to draft our ceremony and it worked great.
