This cute story can help inspire both boys and girls to get into dance class, and it gives accolades to the teachers themselves, whose dedication is often overlooked. Wendy Garofoli, editor --From danceruniverse.com

Cute book - great for dancers and non dancers alike. Age range 0-10. We will be using it for our

dance studio.

My mum's name is Gwendoline so this is a great little book of fun for the whole family we loved it

I love this book. It is so sweet, funny and kind. I love that the dance instructor has an accent which makes it really fun to read outloud. My kids, ages 6 and 4, really enjoy the book and the illustrations. I appreciate how kind the characters are to each other.

This is a great children's book. The story is charming, and the artwork is fantastic. It is very colorful and vibrant. My friend's niece (age 3) wanted to have the story read to her again and again. She loved to look at the pictures, and found the pigs very cute. All in all, if you're looking for a great gift for a child (age 3 - 9 or so), then I would highly recommend this book. They will be captivated by the story, and thrilled by the colorful and bright artwork, featuring very cute pigs.

When I brought GWENDOLYN THE GRACEFUL PIG home, the book caused quite a commotion. We read it aloud as a family and found it completely delightful. The story is clever and the illustrations are charming. My girls got a good laugh on almost every page. Gwendolyn, the Graceful Pig

I read Gwendolyn, the Graceful Pig to my kids. They get a tremendous kick out of the illustrations and the story. On every page there is something funny and the kids are always seeing something new in the artwork they didn't see before. The story stands up to continued retelling. I highly recommend it.

Both my kids love this book. It's great that they incorporate someone girly and a boys boy. My son also enjoys listening to this book. My daughter thinks it's terrific. We read it every night!!! Definitely one to get!

Gwendolyn, The Graceful Pig was adorable. The story was sweet, the pigs made you want them to succeed in their goals, and the Russian ballet teacher was true to the core. The illustrations were priceless! And it had a great conclusion. There was a little bit of humor that made it an enjoyable read for young dancers and parents or ballet teachers. Perfect for ages 3-6 for any young dancer with stars in their eyes.
