Jane O'Connor is an editor at a major publishing house who has written more than seventy books for children, including the New York Times bestselling Fancy Nancy series. She resides (that's fancy for lives) with her family in New York City. Robin Preiss Glasser actually wore tiaras and tutus when she danced with the Pennsylvania Ballet. Now she happily spends her days in jeans, drawing. She has illustrated many acclaimed picture books, including the bestselling Fancy Nancy series. She won the Children's Choice Award for Best Illustrator of the Year for Fancy Nancy and the Mermaid Ballet. Robin and her family live in Southern California.

I started two of my great granddaughters on the "Fancy Nancy" books several years ago, and they are now 8 and 6 yrs. old respectively and both still love the Nancy character! They get them for their birthdays and for Christmas each year, and the books are always welcomed with glee. I actually

found a "Fancy Nancy" Tee Shirt and gown for the 6-year old recently and purchased it for her 6-year old birthday that has just passed and she loved it! I will continue to buy and give the books to the girls until they outgrow them. Most little girls love the themes that the books touch upon, and I think it helps them to acclimate themselves for life at their age, like the "First Grader Book" and the "Loose Tooth" one. The girls know what to expect before they have to actually do it and it takes some of the fear and anxiety out of normal life events for them. They realize it is something that all kids their age go through and is a natural part of growing up so they are prepared when it is their time to experience these events in their growing into "big girls" phases. I am so glad that I discovered the FN Books on so that my little ones can now enjoy them! Fancy Nancy and the Delectable Cupcakes (I Can Read Book 1) Alpha D. Larkins Acworth, Georgia

This is our first Fancy Nancy book and my girls (4 & 3) love it!! We will continue purchasing from this series! I love that it defines bigger "fancy" words. We bought this one because our daughter had her first loose tooth and it was the perfect book choice :)

My granddaughter loves these books. AND, she just lost her first two teeth!

Jane O'Connor's books are adorable & educational. We are forever fans :)

Good book to give your daughter when her tooth is loose.

This is a sweet book and is perfect for any little one who is about to lose a tooth. My daughter is 6-years-old, and she was able to read this book to me; so it is a perfect level 1 reader.

Her tooth is loose! Perfect story!

My daughter has her first loose tooth. I told her not to lose it at school and she told me that if you did, you got to put it in a tooth box thing. When we got the book, that's exactly what happened at Fancy Nancy's school too! It was perfect! I love how the book uses "fancy" words and then explains what they mean. She is definitely increasing her vocabulary!
