Nowhere But Up: The Story Of Justin Bieber's Mom

Synopsis

In *Nowhere but Up*, Pattie Mallette shared for the first time in detail about the pain and abandonment she experienced as a child, the sexual abuse she suffered for years, the severe depression she wrestled with as a teen, the deep struggles she faced as a single mom, and the faith she learned to cling to through dark times. With raw honesty, she spilled the truth about a lifetime of moments that were punctuated by pain yet permeated with grace--and the journey that brought her to where she is today. Now the New York Times bestselling author brings her incredible life story directly to teen girls, baring her soul about her struggles in order to show them how to find hope even in the most difficult circumstances. Pattie has more than a million Twitter followers, many of whom call her their second mom, and this edition is poised to change the lives of Pattie's teen fans.
