# Big Bad Breakfast: The Most Important Book Of The Day

## Synopsis

From the James Beard Award winner, Top Chef Masters contestant, and acclaimed author comes this fun, festive, and highly caffeinated ode to the joys and rituals of the Southern breakfast, with over 125 recipes inspired by the author's popular restaurant in Oxford, Mississippi. John Currence is one of the most celebrated and well-loved chefs in the South. Among his string of highly successful restaurants in Oxford, Mississippi, Big Bad Breakfast holds a special place in diners' hearts: It is a gathering place where people from all walks come together to share the most important meal of the day, breakfast. Southerners know how to do breakfast right, and Currence has elevated it to an artform: dishes like Banana-Pecan Coffee Cake, Spicy Boudin and Poached Eggs, and Oyster Pot Pie are comforting, soulful, and packed with real Southern flavor. Big Bad Breakfast is full of delicious recipes that will make the day ahead that much better--not to mention stories of the wonderful characters who fill the restaurant every morning, and a meditation on why the Southern breakfast is one of America's most valuable culinary contributions.

## Book Information

Hardcover: 272 pages

Publisher: Ten Speed Press (September 13, 2016)

## Customer Reviews

“Big Bad Breakfast is a book you'll want to read from front to back. John's humorous stories, from both in and out of the kitchen, plus his approachable Southern-style breakfast recipes, make this a killer cookbook that is not to be missed. I am not a breakfast person, yet no food memory will live up to my experience at Big Bad Breakfast. I was in desperate need of comfort

(from a hangover and a long flight), sustenance (when you're in the South, your belly knows it must be fed), and warmth (okay, maybe I'm being dramatic), and Big Bad Breakfast is delivered. Was it the sweet, savory, gooey Sausage Cinnamon Rolls or the deeply dirty and delicious waffle-topped Pylon? Or maybe it was the indescribable power of true Southern hospitality. I revel in that meal, and any meal with John at the helm.â•âœ Christina Tosi,âœ chef-owner of Milk Bar and author of *Momofuku Milk Bar* âœ“They say breakfast is the most important meal of the day. With Big Bad Breakfast,âœ John gives you 137 reasons why that's true, and shows you that breakfast is not only the most important, but also the most delicious meal of the day. Get ready for some of the best breakfast foods you've ever had.â•âœ Aarâfâœ n Sâfâjnchez,âœ chef-partner of Johnny Sâfâjnchez and costar of *Chopped*âœ“Mr. Currence won a James Beard award in 2009 for best Southern chef,âœ and it's possible to eat brilliantly in Oxford for weeks, without repeating a course,âœ in his restaurants alone. In fact I'd recommend this experience . . . . He's pushing the notions of what Southern food can be, pulling off impressive feats with a casual air of embarrassment.â•âœ New York Timesâœ“Venerable food writer John T. Edge once told us we couldn't leave Oxfordâœ without stopping by Big Bad Breakfastâœ“and boy, are we glad we listened to him.âœ Chef John Currence is a great cook with a lot of soul.â•âœ Serious Eatsâœ“Chef-ruler of Oxford, Mississippi, John Currence is here to make the case for breakfast. With recipes from the restaurant that gives this book its title,âœ Big Bad Breakfastâœ offers a vision of mornings spent with Southern heavyweights like oyster pot pie and banana-pecan coffee cake. If you loveâœ Eater's Breakfast Week, biscuits, the idea of cinnamon rolls baked with sausage filling, and/or restaurant cookbooks that actually seem cookable, this one's for you.”- EATER NATIONAL “If you're the sort of person who gravitates toward diners, whose favorite restaurants serve breakfast all day (we are not talking about McDonaldâœs), who makes breakfast for dinner at home and whose idea of a good time is making frosted flakes from scratch, then hereâœsâœ a cookbook for you.âœ Big Bad Breakfastâœ is the new book from John Currence, and itâœs a big, bad book of a cookbook. . . . Ed Andersonâœs hunger-inducing photography includes repeating plates of pancakes,âœ lots of cast-iron skillets andâœ eggs in various compositions, pouring coffee, Elvis Presley tapestries, biscuit step-by-steps,âœ shots of a baseball-hatted Currence at work in the kitchen or bellied up to a crowdedâœ counter. Flip through all this, read the chatty anecdotesâœ (in praise of MSG, the emu egg in the parking lot), and the handy tips from someone

whoÃ¢â€šÃ©s worked in many kitchens, both other peopleÃ¢â€šÃ©s and his own,Ã¢â€šÃ© and you get a growing sense of comfort Ã¢â€šÃ© and thatÃ¢â€šÃ©s not just because manyÃ¢â€šÃ© of the recipes are for comfort food." - LOS ANGELES TIMES "This is a book that earns a spot on your shelf. It is a cookbook of substance, put together with care. Currence has things to teach us: the amount of knowledge on eggs alone is worth the price of the book, ditto the biscuits." - LUCKY PEACHÃ¢â€šÃ©

John Currence opened City Grocery in Oxford, Mississippi in 1992. Since then, the City Grocery Restaurant Group has opened a number of restaurants, including Ajax Diner, Nacho MamaÃ¢â€šÃ©s, KaloÃ¢â€šÃ©s Tavern, Big Bad Breakfast, BourÃƒÂ©, Lamar Lounge, The Main Event, and Snackbar. Currence is the recipient of the 2009 James Beard Award for Best Chef South and the Southern Foodways Alliance Guardian of the Tradition Award. He has appeared on television programs such as Parts Unknown, Mind of a Chef, Bizarre Foods, Treme, and Top Chef Masters and his writing has appeared in Food & Wine and Bon AppÃƒÂ©tit, among many others. He is a contributing editor for Garden & Gun magazine, a board member of No Kid Hungry (a project dedicated to eradicating childhood hunger in the United States), and an organizer and past board member of the prestigious annual Southern Foodways Symposium.

great book for breakfast recipes. Breakfast is my favorite meal of the day and this book hits home on so many levels. I am a huge fan of the Chorizo Migas and southwest seasoning recipes. I made this and took it to work one day and everyone couldn't believe how good it was.

This book has some excellent basic recipes, some different and interesting ones, and gives great recipes for condiments and side items. I collect breakfast/brunch cookbooks and this is a favorite.

What a great book...super gift for those yearning for back to basic goodness!

John Currence makes food interesting. Breakfast is my favorite meal and John takes it to a higher level while still keeping the recipes simple enough to actually cook at home. What's more, he stimulates the reader to think about the meal and how it can be made more interesting.

The recipes are amazing (eating at his restaurants had me wanting this book immediately). However even without it ... the stories are really entertaining and worth the price of admission alone.

Love his books and his food.

Haven't tried any of the recipes yet but anticipate they will be great.

husband loved this more than a recipe book

Recipes by James Beard award winning Chef John Currence are winning, as expected. Not just for breakfast, the book contains seafood crepe, frittata, and skillet tosses for any time of day.
