Ryan T. Higgins (ryanthiggins.com) is the author-illustrator of Mother Bruce, which received the E.

B. White Read-Aloud Award and the Ezra Jack Keats New Illustrator Honor, and its sequel, Hotel Bruce. He lives in Southern Maine with his family and a menagerie of animals -- none of which are talking mice, but he does have a very chatty tortoise.

Hilarious! My 2nd graders loved it and read it over and over!

This is one of the cutest books I've read in a long time! A great read aloud book!

Absolutely awesome book. Read it to my son's 2nd grade class the end of last year and the kids loved it! Have bought several as gifts since. Highly highly recommend

Another super funny book by Ryan T. Higgins!

amazing

Bought this to read as a mystery reader in my triplets classes. All the kids thought it was a hysterical book. Would recommend for that age group.

An amazingly fun book for students! Love the creative language!

Much like the previous books by Higgins, this has beautiful visuals with good depth perspective. The characters playfully break the 4th wall, expanding upon the personalities introduced in Hotel Bruce. Another viewer commented that this book contained too much anger both in the prose and illustration. I disagree. Anger from exasperation is a common emotion to have, and I would suggest one to which children (who often have difficulty communicating what they want) can relate. It's pretty much a central theme carried on from the first two books. This book is good and my kid likes it.
