This book has 8 pages with writing on it - the introduction & 8 steps to drawing a character. Each step has 3 or 4 sentences explaining what to do followed by an illustration (which may not be on the same page.) Each character after that is drawn step - by - step, with no written instructions, since the concept is basically the same for all of them. Giving it to my niece for her birthday so not sure if the concept will work. I'll update with a progress report some time in the future.

My 9 year old granddaughter loved this!

Bought this for my daughter who seems to have a knack for drawing. She recently got into manga/anime. I know she will enjoy this. Worth buying if your into drawing anime.
