Short History Of The Hungarian Regime Change Until The Parliamentary Elections Of 1990

Synopsis

This study is rather anomalous. This is why you find in it parts of the EDDA band songs, strong or even pretentious chapter titles, sometimes bizarre quotes or story telling fragments. I use the mentioned elements to present to the critical reader what the written word can hardly suggest, what we feel on our skin, see with our eyes or hear with our ears. I believe, the readers find themselves in my little regime change.
