Okay

A special story about a young lady who was stood up at the alter and the parents were making her miserable. She jumped on a train to go to a man who had advertised for a Bride. The train was robbed and she wasn't met by the Groom. A Farmer with a daughter came to her aid as she helped him care for his small child. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me wondering what next.
