Cute pics and stories of cats. Been buying these for years. When you tear off the page, you have a great piece of scrap paper for notes, etc.

It's a calendar -- what can you say? All 365 days are there. It comes with its own little plastic stand,

and we keep ours on a lazy Susan in the kitchen. The pictures are pretty good and usually the text is appropriate for a cat owner. In its favor -- it doesn't try hard to be cute or sophisticated or different -- no "cats with bad attitudes" etc. We tear off the previous day's picture each morning and look at the new picture. It's become a staple item under the Christmas tree, and my wife likes to turn a new page and find a picture that resembles one of our cats. We bought it for last year, we bought it for this year, and we'll buy it for next year.

Adorable :)

Great little calendar of sweet little felines. Entered my own in the contest. Hope to be a winner in 2007. Tried to find it in stationary shops and bookstores, but no luck. Glad I found it with . Love !!!

The pictures are so cute. I bought this for my co-worker & she loves the pictures. Shipping was fast & everything is great.

I will continue to order this item every year! It's great. Makes me smile everyday:)

My wife and I have been using these calendars for several years, as far back when the pictures were in black-and-white. The biggest improvement has been to print all of the photographs in color. The pictures are all characteristic of cats in general (playing, stretching and sleeping) and are a delight. The pictures are presented with quotations about cats, cat lore and general information. I use the old pages as scratch paper (a handy size) and the plastic back can be recycled. This is a perfect calendar for people having cats or simply loving them. Very highly recommended.

I get this calendar every year. Such a wonderful and well made product. Will absolutely get this product again when I need to get calendars again.
