beautiful music and a challenge for me on some tunes

Good work done.

Had all the songs I wanted. :)

I enjoyed reading and looking at this book. She is my inspiration as well. This book helps me to understand her cd of this...

If you are fan of Celine Dion. I recommend to buy this issuei'm very glad, i like so much

I ordered Celine Dion's piano book for my daughter for Christmas. She is 16 and loves to play the piano. She has been a fan of Celine since she was 5. She found the music easy to play and enjoyed the song selections the book offered.

I love this book! Especially the songs My love and Taking chances are arranged for my mediocre talent as a pianist and singer.

I don't know what else to say than to let the possible buyers know you get a great book with Celine songs.
