Adventures In The Human Spirit (7th Edition)

Synopsis

• A historical survey of the western humanities in a single-volume text. • Adventures in the Human Spirit provides a balanced introduction to the major arts, philosophy, and religion. Appropriate for students with little background in the arts and humanities, this single-volume text approaches the humanities by focusing on principal events, styles, movements, and figures. • The seventh edition engages students with new chapter-opening spreads, a refreshed color palette, and a clear pedagogical structure. • • New author Margaret Manos maintains the late Philip E. Customer Reviews

My daughter needed this for school

Great book and received on time. I am returning it because I'm not taking the class this semester anymore. Will order it next time

Purchased awhile ago; forgot to give review; awesome condition perfect for what I needed!

Condense, easy to read. Helpful summary at the end of each chapter. Much cheaper than the newer edition but mostly identical (except for the illustrations).

Was a little more worn than expected but it worked. Had all the pages but a little stained and bent up. But it worked for class and that's all I care about.

Great book! Exactly what I was looking for!

Great price almost half the price of college bookstore.

It was for a college class, perfect.
