Blood For Blood (Wolf By Wolf)

Synopsis

"Wild and gorgeous, vivid and consuming. I loved it! I can't wait for the sequel."--Laini Taylor, New York Times bestselling author of the Daughter of Smoke & Bone trilogy, on *Wolf by Wolf* The action-packed, thrilling sequel to Ryan Graudin's *Wolf by Wolf*. There would be blood. Blood for blood. Blood to pay. An entire world of it. For the resistance in 1950s Germany, the war may be over, but the fight has just begun. Death camp survivor Yael, who has the power to skinshift, is on the run: The world has just seen her shoot and kill Hitler. But the truth of what happened is far more complicated, and its consequences are deadly. Yael and her unlikely comrades dive into enemy territory to try to turn the tide against the New Order, and there is no alternative but to see their mission through to the end, whatever the cost. But in the midst of the chaos, Yael's past and future collide when she comes face-to-face with a ghost from her past, and a spark with a fellow rider begins to grow into something more. Dark secrets reveal dark truths, and one question hangs over them all--how far can you go for the ones you love? This gripping, thought-provoking conclusion to *Wolf by Wolf* will grab readers by the throat with its cinematic writing, fast-paced action, and relentless twists.

Customer Reviews

Gr 7 Up—• This sequel to *Wolf by Wolf* continues the tale of Yael—a shape-shifting assassin in an alternative 1950s Europe and Asia in which the Nazis won World War II. Posing as Adele Wolfe, Yael has completed the Axis Tour motorcycle race and shot the Hitler on the dance floor at the Victor's Ball. It is then that she discovers that her victim is a doppelgänger like herself rather than the real Adolf Hitler. In a dramatic escape from the SS, she rescues her fellow racers Luka Wolfe and Felix Wolfe, Adele's brother. The three flee across the globe, trying to return to Germania as the world descends into a bloody revolution. Along the way, they encounter Soviet guerrillas, Resistance fighters, and ghosts from their pasts. Graudin has crafted a fast-paced historical fantasy that movingly transports readers into a world of hard choices, great injustice, and daring acts of love. The romantic elements are touching and wholesome and provide a welcome counterbalance to the fight scenes and military details. The story's conclusion, while not a completely happy ending, is all the more satisfying for its notes of sorrow. VERDICT Highly recommended for fans of historical fiction, alternate history, or works of espionage and intrigue.— Kelly Kingrey-Edwards, Blinn Junior College, Brenham, TX
