AIP One Dish: Meals Prepped In 15 Minutes Or Less

Synopsis

35 AIP dinner recipes prepared in 15 minutes or less in ONE pan. Using a large cast iron skillet with lid, braiser pan or even a rimmed cookie sheet, you can prepare brilliantly easy AIP compliant recipes in less than 15 minutes. These recipes contain no tricky ingredients, no organ meats or other ingredients you won't recognize like specialty grain-free flours. This is perfect for AIP BEGINNERS and especially useful if you want to eat AIP and have been frustrated by the effort and time it takes to cook. The recipes focus on the oven cooking the entire meal at once, and that means that you will have almost no clean up and very few dishes to wash after you prepare the meal. No meal plans, no grocery lists..this back to basics recipe collection can be used any night of the week and you most likely have many of the ingredients already! As a AIP Nutritionist for over 5 years, I am very busy. I created these recipes out of need, but they became such a hit on my Instagram page that I made them into an ebook out of popular demand.
