Mail Order Bride: Texas Kate: Clean Historical Western Romance (Sweet Frontier Cowboys Book 16)

Synopsis

American Mail order brides of the West, historically inspired clean and wholesome short story romance. From the Bestselling Author Katie Wyatt! This historically inspired Western romance much-loved series is about empowered women who turn around their hopeless circumstances in this mid-19th-century tale of the old West, with strong faith and discover genuine men and true love. In June 1881, Catriona Farrell found her match in the Matrimonial News. And not a moment too soon, to her mind. She had to leave Chicago before her lawless family drew her in so deep she would never surface again. The problem with Kate's family wasn't that they were mean or horrible, but that they were all, every one of them, crooks and thieves. The constant fear that they were about to be arrested plagued her dreams and her mind. She couldn't take it anymore, so she ran away, jumped a train to Fredericksburg Texas to marry a law-abiding viticulturist named Garrick Jaeger. Only one problem, her family followed her. How was she going to explain her family showing up when she had said they were dead? How in the world were the two families going to get along when they were so different? Was her family's lawlessness catching? What was Ehren planning to do? Catch a train and come visit the picturesque Hill Country. We'll make some wine, get caught in the rain, and maybe even rob a train. Meet Liam Farrell the head of the clan and his lovely wife Saoirse and the beautiful Della. Come bake up some mouthwatering goodies and solve the mystery of Ehren's nefarious plans. It's all happening in Fredericksburg, come join us.... "a story of hope, fear, romance, suspense and true love.".... While this book is part of a romance series, it can definitely be read as a standalone book. What a sweet tender romance about dreams and wishes coming true. Again Karla has a way of pulling you in the middle of her story. A beautiful story of faithfulness and love, and wanting the best for your family not just your self! Karla has such talent as an author. She can weave a story her characters take into a front row seat for the reader. A pure delightful entertainment filled with smiles and sighs. This is such a fantastic book I didn't put it down until I got to the end, which is perfect! :)

A young German wine maker posts an advertisement for a Bride and a young lady that wanted to get away from her Family as she knew them to be answered the advertisement looking for a Husband that was far from home. Her family members track her down to the farm where she lived and the events keep you interested from beginning to end. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me wondering what next for the characters as they get to know each other.

I enjoyed this story. The author has done a great job of keeping the characters in an adventure of romance and mystery. Keep up the wonderful stories and I'll keep reading them!
