Dorothy Must Die Stories Volume 3: Order Of The Wicked, Dark Side Of The Rainbow, The Queen Of Oz (Dorothy Must Die Novella)

Synopsis

In this third collection of prequel novellas to the New York Times bestselling Dorothy Must Die series, Danielle Paige delivers a dark and compelling reimagining of L. Frank Baum's The Wonderful Wizard of Oz, perfect for fans of *Cinder* by Marissa Meyer, *Beastly* by Alex Flinn, and *Wicked* by Gregory Maguire. Before Amy Gumm lands in Oz in Dorothy Must Die, Dorothy Gale rules a twisted land where the Good have become truly Wicked—and it's up to the Wicked to stop her reign. Follow your favorite witches from Dorothy Must Die as they form an elusive, secretive group known as the Revolutionary Order of the Wicked and begin training their own army to defeat Dorothy. If the Order wants to save Oz, they'll need every recruit they can find. But who has what it takes to join the cause?

Customer Reviews

Praise for the DOROTHY MUST DIE series: "Readers of Baum's books will take special delight in seeing new twists on the old characters, and they will greet the surprise climactic turnabout with the smugness of insiders." (Kirkus Reviews) "Dorothy Must Die is kind of the ultimate in girl-powered literature. Here, women and girls are allowed to be anything." (Nerdist.com) "Gone are the days of rainbows, Lollipop Guilds and pretty much anything to sing about in a major key. For those willing to go on a quest with a heroine more attuned to our times than the Dust Bowl era, there's no place like it." (USA Today) "Paige doesn't hold back in this fast-paced action novel. Give this cinematic upper-YA novel to

fans of A. G. Howard's *Splintered*, Frank Beddor's *Looking Glass Wars*, and TV shows such as *Once Upon a Time* and *Grimm*.¹ (School Library Journal) Paige delivers a solid, intense, and strange narrative that draws deeply on its source material.² (Publishers Weekly)³ L. Frank Baum would be proud because Danielle Paige really makes Oz - even a modern, dystopian version of it - her own in the enjoyable sequel to *Dorothy Must Die*.⁴ (USA Today)⁵ Paige is creating a rather brilliantly twisted version of the familiar world of Oz.⁶ (Bulletin of the Center for Children's Books)⁷ Paige has embellished upon the original Wizard of Oz story to create a completely new, even more bizarre Oz and cast of characters. Her world building is fascinating.⁸ (ALA Booklist)⁹ One wonder-filled volume. Paige continues to weave an intricate spell that will delight series fans.¹⁰ (School Library Journal)¹¹ For anyone who likes a good story turned on its head, *Dorothy Must Die* is a must-read.¹² (Huffington Post)¹³ The Wizard of Oz as you've never seen it.¹⁴ (Teen Vogue)¹⁵ Paige's world building is intriguing and effectively augments the original world created by L. Frank Baum.¹⁶ (ALA Booklist)

Before Amy Gumm arrived in a new Oz, before *Wicked* meant Good and Good meant Wicked, the seed was planted for a Revolutionary Order. . . . In the Land of Oz, there's no rest for the Wicked. But as usual, all is not what it seems in this magical world. Here, Good Witches can't be trusted, and just because a witch may be Wicked, doesn't mean she isn't fighting for Good. Now the witches are gathering people from all across Oz to join forces, and working together to destroy the most twisted, evil tyrant Oz has ever known: the formerly beloved Dorothy Gale. This bind-up of three prequel novellas to the New York Times bestselling *Dorothy Must Die* series follows early members of the Revolutionary Order of the Wicked as they begin to form the group that will recruit Amy Gumm and save Oz.

A fun series where the short stories actually added value to the overall story line. It was great to read the back stories on various characters in the main story.

Have really enjoyed this whole series.

Good back stories.

Love this series.

can't wait to read it after I read the rest of the stories wanted the whole series so I could read it all together instead of reading it and having to wait for the next installment

The 3 volumes of prequel stories really set up the 4 book series. I recommend reading them all before starting the book series.

Quick shipping. I'm happy

these stories are so good, you have to read them from the beginning to get the full story. it is worth going to the first book to understand just how strange and power hungry Oz makes people.
