Foundations Of Business (Standalone Book)

Synopsis

Note: This is a Standalone book and does not include access card. Join the authors who have an extensive record of teaching success in today's Introduction to Business course with the fifth edition of the best-selling FOUNDATIONS OF BUSINESS. This up-to-date, comprehensive survey of business addresses forms of business ownership, management and organization, human resources management, marketing, social media and e-business, information systems, accounting, and finance. Core topics emphasize ethics and social responsibility, small business and entrepreneurship, and global issues, while new coverage examines cutting-edge topics, such as the impact of social media on business, the economic recovery and remaining economic problems, international business, green and socially responsible business, and sustainability.

William Pride (Ph.D., Louisiana State University) is a professor of marketing in the Mays Business School, Texas A&M University. In addition to this text, he is co-author of a market-leading principles of marketing book. Dr. Pride's research interests include advertising, promotion, and distribution channels. His research articles have appeared in major professional journals, such as the Journal of Marketing, the Journal of Marketing Research, the Journal of the Academy of Marketing Science, and the Journal of Advertising. Dr. Pride is a member of the American Marketing Association, Academy of Marketing Science, Society for Marketing Advances, and the Marketing Management Association. He has received the Marketing Fellow Award from the Society of Marketing Advances and the Marketing Innovation Award from the Marketing Management Association. Both of these are lifetime achievement awards. Robert J. Hughes (Ed.D., University of North Texas) specializes in business administration and college instruction. He has taught Introduction to Business for more

than 35 years both on campus and online for Richland College, one of seven campuses that are part of the Dallas County Community College District. In addition to BUSINESS and FOUNDATIONS OF BUSINESS, published by Cengage Learning, he has authored college textbooks in personal finance and business mathematics and served as a content consultant for two popular national television series, "It's Strictly Business" and "Dollars & Sense: Personal Finance for the 21st Century." He is also the co-author of an online Introduction to Business course for Dallas County Community Colleges that accompanies the FOUNDATIONS OF BUSINESS text. In addition, he is lead author for a business math project utilizing artificial intelligence and computer-assisted instruction funded by the ALEKS Corporation. He is active in many academic and professional organizations and has served as a consultant and investment adviser to individuals, businesses, and charitable organizations. Dr. Hughes is the recipient of three different Excellence in Teaching Awards at Richland College. According to Dr. Hughes, after 35 years of teaching Introduction to Business, the course is still exciting: "There's nothing quite like the thrill of seeing students succeed, especially in a course like Introduction to Business, which provides the foundation for not only academic courses, but also life in the real world." Jack R. Kapoor (Ed.D., Northern Illinois University) has been a professor of business and economics in the Business and Technology Division at the College of DuPage, where he has taught Introduction to Business, Marketing, Management, Economics, and Personal Finance for more than 40 years. Dr. Kapoor is a recipient of the Business and Services Division's Outstanding Professor Award. He previously taught at Illinois Institute of Technology's Stuart School of Management, San Francisco State University's School of World Business, and other colleges. He has also served as an Assistant National Bank Examiner for the U.S. Treasury Department and as an international trade consultant to Bolting Manufacturing Co., Ltd., Mumbai, India. Dr. Kapoor is known internationally as a co-author of several leading textbooks, including FOUNDATIONS OF BUSINESS, 6e. He has served as a content consultant for two popular national television series "The Business File: An Introduction to Business" and "Dollars & Sense: Personal Finance for the 21st Century

The book was great. Very informative. However, I rented it and sent it back by due date. So I would not get charged the extra amount for a late fee. I sent it back UPS as directed and I did a tracer on it. You got it the very next day. I got a e-mail 5 days later you got it then that would make me owe you more money. If I find your company tries to scam me on this I am willing to take it to court. That is fraud!

This is a great book that nobody wants to buy, but you have to for school. The reason i am leaving a 5 star review, is because it gives advice to "Satisfy your needs" and has a picture of a starbucks frappachino bellow it... Talk about motivation!!

Excellent learning. Would definitely suggest this publisher for needed material. I had a only a couple days to get this book for class. This was shipped out there was no delays. Thank you

Book was in near perfect conditions. A little pencil and pen writing on one or two words on a couple pages of the book. Beyond that, isn't bent, doesn't smell funky, it's a great book.

Book was delivered in excellent condition.

great textbook!

I didn't need it and had no way of returning it!

Came with a box cutter slit on the cover.
