Customer Reviews

I loved the cover of the Calendar. However, I was disappointed that half of the photos are in black and white and are not nearly as whimsical as the cover. One reason that I purchased it was for the size, as it fits in a frame that I already own. I am still having a hard time getting used to Monday being the first day of the week on this calendar though.

This calendar is an exciting artist's rendition of everything Paris and Parisian. Any francophile will be happy to have it in their office or home. I refuse to jump ahead months, but loving the cover, Jan and Feb so far!

I wish it had allowed you to see all the images in the calendar before purchasing. The whimsical cover photo seems very different from what's inside. A bit disappointing. But still a nice calendar.
