Ana is a 15-year-old California girl who leads a tough life. Her mother is always on her. Her family doesn't have much money, but her best friends' families are rich. She's extremely jealous of them. When she gets an opportunity to go to Mexico, she goes to a small city where she lives with a very nice family that is poorer than her own family. Her view of her life changes radically. When she gets back to California, she sees everything in a different light. Pobre Ana is short and easy.

Customer Reviews

Love the story, as did my students. The voice is perfect for the reading. Happy to have this CD. I haven't tried this one in my laptop or car, but it plays fine on my school desktop. The CD arrived in perfect condition.

Perfect for turning reading comprehension activities into listening comprehension activities. Really useful for kids with IEPs that indicate that reading is especially difficult for them.

I am playing this CD in my car, and I learn from it every time I do. Great CD.

This CD is for novice learners. Boring story. Annoying background sound effects.
