This is not worth please don't buy. It is such a small book. Buy some thing better than wasting your money on this.

The PMP Exam IQ Test helped me a lot during my preparation for the PMP Exam. I got the book with my PMP Bootcamp and it was surely a great deal. The IQ test helped me understand the

dataflow diagrams in the PMBOK Guide 5th edition. The book also have many open ended questions that will challenge you. Grab a copy of this book to help with your PMP exam preparation. I strongly recommend this book to anyone studying to take the PMP exam.
