Injury Prevention And Public Health: Practical Knowledge, Skills, And Strategies

Synopsis

Injury Prevention and Public Health: Practical Knowledge, Skills, and Strategies, Second Edition presents the complex nature of injuries and violence but provides this information in a highly comprehensible manner. The authors' devotion to advocacy for the prevention of injuries, both unintentional and intentional, makes this title an essential read for both public health students and public health professionals.

Customer Reviews

I need this book for school and well even though it is out dated it is well righten

Was described perfectly. Glad I purchased this book and glad it was in excellent condition. Thank you for this! d

Wonderfully detailed book - very informative. I needed this textbook for a course at school but may end up keeping it for future reference as well.
