100 Things To Do In Reno Before You Die (100 Things To Do Before You Die)

Synopsis

You may know Reno as a city awash in a neon glow of gambling or for its antiquated reputation for quickie divorces, but the Reno of today is fundamentally transformed. Locals and visitors alike take advantage of the year-round outdoor playground afforded by the Truckee River, the region's close proximity to Lake Tahoe, and the surrounding, soaring Sierra Nevada mountains. Enjoy the spoils of the nationally recognized, flourishing foodie and arts scenes. Welcome the chance to explore the region's culture and history characterized by its foundational role in the silver rush and its historic college town roots. If you're preparing to move to the area, planning a trip, or if you're a local looking for itineraries for out-of-towners, 100 Things to Do in Reno Before You Die is your comprehensive guide. Explore destinations for taking in stunning sunrises, sunsets, and dramatic high-desert vistas, and gain an insider's perspective about places to get pampered, enjoy craft beers, eat all-you-

Customer Reviews

You may know Reno as a city awash in a neon glow of gambling or for its antiquated reputation for quickie divorces, but the Reno of today is experiencing a vibrant renaissance. Locals and visitors alike take advantage of the year-round outdoor playground afforded by the Truckee River and the region's close proximity to Lake Tahoe and the surrounding, soaring Sierra Nevada Mountains. They enjoy the spoils of nationally recognized, flourishing foodie and arts scenes. They welcome the chance to explore the region's culture and history, characterized by its foundational role in the silver rush and its historic college town roots. So if you're preparing to move to the area, planning a

trip, or if you're a local looking for itineraries for out-of-towners (or for yourself!), 100 Things to Do in Reno Before You Die is your guide. With each new experience under your belt, you'll gain further appreciation for the meaning underlying Reno's motto: "The Biggest Little City in the World."

Mikalee Byerman is a prolific writer, editor and communication consultant. While her writing has gained national attention in publications like Ladies' Home Journal, Homes & Land magazine and the in-flight magazines for Southwest Airlines and Alaska Airlines, she chooses to make her home and raise her spectacular family in her hometown of Reno. In addition to travel and feature writing, her sometimes controversial, always tongue-in-cheek blog, Me 2.0, has earned links from websites like TIME Magazine, Yahoo! News, and the Huffington Post.

I absolutely LOVE this book. I like how it is broken down into categories and contains a wide variety of things to do in Reno. It's super fun to share this book with our visitors. Thanks to this book we are discovering new activities to do every day. We actually use a highlighter in the book once we've conquered one of the activities. Once we do them all we'll be begging Mikalee for a sequel!

A nice effort that provides some focus on fun activities within the greater Reno area!

Such a joy! Whether you're a resident of the Reno area or a tourist coming to Reno for a visit, this book is for you!

I've lived in Reno for 15 years and was surprised to learn how much I'd been missing. A fun and easy read, the book is chock full of suggestions for local and visitors alike. Divided into five broad categories such as "Culture and History" and "Food and Drink," the book also includes suggestions for first dates, family outings, "grow your brain" and more. Well worth it whether you live in Reno or plan to visit.

A lively and lovely book that goes beyond what you'll read in the guidebooks. A must for anyone visiting Reno, or even for a native that wants to uncover some of the hidden gems of the biggest little city.

As a 37 year resident of Reno, I know what a special place I get to call home. This book reminded me of many of the awesome places I have been and the experiences I have had over the years.

And pointed out much I have yet to do, or do again! I was able to check off 67 of the 100, and now I have a guide to what I need to do to complete my bucket list! Although, as the author states, there is so much more. Great book, and I look forward to the next one. Steve Blane

Native Renoite and absolutely loved this book. Many hidden gems, old favorites, and new things to try. I am struck by the humor and intelligence of this book! Also, I like the way it's organized and curated.

AMAZING BOOK! Who knew there were so many things even a local can aspire to do. but now, thanks to this very very talented author Mikalee Byerman, i'll never have a weekend without something to do again! I loved how you can hear the author's voice through ther writing -- I literally laughed out loud at the reference to the eyelashes on the shrunken head at the Wilbur May Museum!
