The Poky Little Puppy's Wonderful Winter Day (Little Golden Book)

Synopsis

Great news for Poky Little Puppy fans! An adorable story about tumble-bumble winter fun! It's a snowy morning, and Poky and his four brothers and sisters can't wait to get outside and play! They dig tunnels, slide down hills, and make snow angels. But where is that poky little puppy? He's chasing snowballs with the neighbor children! And that night when he's tucked in, he dreams happily about his wonderful winter day. Out of print for decades, this story is back to honor Poky's 75th birthday in 2017, which is also the 75th anniversary of Little Golden Books!

JEAN CHANDLER wrote and illustrated several Poky Little Puppy stories during the 1970s and 1980s. SUE DICICCO is a prolific children's book illustrator and sculptor. Born in Southern California, she attended Cal Arts, then worked for Disney and other studios as an animator before opening her own studio. Sue recently illustrated Random House's Step into Reading titles featuring six classic Little Golden Book characters.

The item was as described by the seller. It arrived in a timely manner. The story is a good addition

to the saga of the Poky Little Puppy. My grandchildren enjoyed it very much.

I'm not sure if I didn't pay attention to how big the book was or what. I expected it to be the standard little golden book size and this one it smaller than those. I still love the book. It was one of my favorites growing up and I bought it for sentimental value. Just not what I expected when I pulled it out of the envelope.

My niece loves books, and this is a fun way to get her to learn to read!

My kinders loved the Poky Puppy! It was a fun book this winter. They had a good time writing about Poky's adventure.

This is a technically a "First Little Golden Book", not a Little Golden Book, meaning it is one of the miniature square books. Based on this, you may expect it to be short on text...but I think it has about the same amount of text per page as a normal sized edition. It is somewhat short on plot: there are lots of cute winter activities, and one little puppy is always lagging behind his siblings, and that's about it. That's enough for me and my lil one, but if it weren't riding on the coattails of the original I don't think this would be a very popular volume.
