Cases In Nonprofit Management: A Hands-On Approach To Problem Solving

Synopsis

Case Studies in Nonprofit Management by Pat Libby and Laura Deitrick consists of original cases that are designed to teach students how to think critically, hone their decision-making skills, and learn to apply leadership and management principles that are essential for any nonprofit professional. These case studies illustrate the multifaceted nature of the nonprofit management sector and bring concepts like nonprofit leadership, risk management, advocacy, and grant making to life.

Customer Reviews

"Libby and Detrick have compiled a rich and interesting set of cases that are sure to inspire thoughtful conversations in any NP management course."--William A. Brown"The originality of the work is a huge advantage, as is the fact that they are teaching cases that end without a clear, "best" answer. Finally, the inclusion of issues unique to international nonprofits is a welcome addition and one I have not run across in previous texts."
