Her Stepmother's Brood Mare: (Taboo, Futa-on-Female, Pregnancy)

Synopsis

Lauren has a problem. She desperately wants to have baby by her husband, but he had a vasectomy years ago and is unwilling to reverse it. Lauren also has a secret, a huge throbbing secret that sometimes grows between her legs. And she has something else, a newly-adult stepdaughter, on nubile, pretty and fertile. Brooke has a problem too. Her grades aren't nearly good enough to get a scholarship to the exclusive college she's always wanted to attend. Her stepmother has some contacts and might just be able to pull some strings... But the conditions for the scholarship are decidedly unusual. If she wants to go to the school of her dreams, she'll need to do Lauren a tiny little favor first... What begins as a simple quid pro quo quickly becomes more complicated, when Lauren insists Brooke conceives the old fashioned way. As the lines between business and pleasure blur, Brooke begins to lose herself thrust into an unfamiliar world of insatiable cravings and taboo lust.
