Rehearsing The Soul: 52 Devotions For The Church Choir

Synopsis

Rehearsing the Soul is a collection of 52 five-minute devotions centered on the life of the church choir and its members. The book is organized by seasons, and each one- to two-page devotion relates directly to the ministry and events of a church choir. These events include the beginning of the choir year, rehearsal schedules, hymns, worship, and other aspects of the choir member's particular faith walk. Each devotion begins with a Scripture passage and closes with a brief prayer.

Terry York is Associate Professor of Christian Ministry and Church Music at Baylor University in Waco, Texas where he serves on both the School of Music and the Truett Theological Seminary faculties. He was the Hymnal Project Coordinator for The Baptist Hymnal, 1991. Terry's prior Abingdon publications include the devotional books *Rehearsing the Soul* and *Observing the Rests*.

This devotion is Bible-centered and applicable for choirs, especially an older choirs. Enjoy this to inspire your group and set the mood as you all serve in your rehearsal and/or worship service.

My choir director read a page at our yearly retreat. It touched my heart and seemed like God was talking to me. I had to get a copy of this book. The devotions are set up to be read one a week. They are divided into seasons.

Well laid out book for weekly devotions for a choir. Written for seasons of the year (fall, winter, etc.) Slightly formal wording, but you can change it according to your audience I'd need be. Adapts song lyrics and bible verses for a quick thought for your group. We use these before each practice. Has included prayers to end each devotion.

Great for devotional reading!!

Have received and will enjoy.
