# Amish Time Of Change (Amish Seeds Of Change Book 3)

## Synopsis

Jealousy. Manipulation. Love. After Barbara's betrayal of Emma puts their father in mortal danger, it seems as though Barbara might have learned her lesson. But appearances deceive, and as Jacob and Emma fall more deeply in love, Barbara's jealousy festers. She will risk her marriage, her children's happiness, and her very freedom to prove that she is the better daughter. Will Emma, Jacob, and her family survive Barbara's jealousy? Or will her final plan leave a community, marriage, and family shattered? Find out in *Amish Time of Change*, the third of the *Amish Seeds of Change* series. *Amish Time of Change* is a well written, Christian romance that will keep you hooked from beginning to ending. If you love Amish Christian romance with lovable characters and a fast moving story line, start reading *Amish Time of Change* now!

## Customer Reviews

Barbara's jealousy of her sister Emma continues as Emma loses more and more weight. It puts the whole family at odds and threatens the health of their father. Jacob and Emma continue to fall deeper in love and contemplate marriage as she comes closer to reaching her goal of better health. Will Barbara completely destroy her sister's reputation, her husband and children's lives and the community's closeness to reach her own goal of being the best, most beautiful? Will Barbara and her family be able to remain in the community? I really liked this third book in the series. Barbara is a character that it is easy to dislike though I also felt compassion and wished for her to redeem herself and deal with her competition with her sister. Emma is working so hard to lose more weight and stick to her plan; I can only imagine how hard that would be when baking all kinds of wonderful goodies. I felt bad for the parents who are really torn between the two sisters and have to pull away from Barbara and the things she is instigating. The author does a wonderful job of describing the characters and their motivations; I really feel like I know these people. The author deals with the real issues of weight loss and other health issues in down to earth ways through the day to day lives of the characters. The writing kept me interested and wanting to read to find out what would happen next. I highly recommend this book. There is a lot to love in this story.

When Emma starts losing weight for medical reasons, everyone in the community is helping and supporting her in every way possible, especially her longtime beau, Jacob. Everyone that is except the one person who should be her biggest support; her sister, Barbara. As Emma continues to gain more self confidence, Barbara spirals deeper into her own world of deception and anger. Good story.

Very good story. it's amazing how a family is having problems with one of their daughters. Two wonderful daughters who love each other must create issues about their weight. Emma has done a great job in watching her weight, and also getting the family to improve their health. I'm sorry Barbara. Had to go to prison and lost her husband and children. I hope another story involving Barbara's life in the near future.

Rachel, you never disappoint me with your stories. The Amish Novels are my favorite reads. The entire family ends up thinking of their health and changing their eating habits. It is a beautiful story. I am hoping there will be a fourth book. Thank you for keeping us supplied with wonderful books.

Loved the book's. So glad Emma was able to get through everything. Loved how it gave us tips on

losing weight. Would love to know what ever happened to Barbara did she get the help she needed

A book that addresses several common problems, from obesity to emotional illness & tells how they impact a family & community who work together to solve them. It's nice to see people recognize things that need changing in their health & emotions & take action. Consequences of bad decisions are also evident.

The series was good, but I thought it focused too much on weight loss. If the Amish work really hard then how did these families get to be so overweight? Barbara got what she deserved with her jealousy and deception. She defiantly has a mental illness. It was still a good series though.

This was a very good book. I enjoyed it very much. I read it in one afternoon. I could not put it down!
