## Customer Reviews

I thought his was recorded version keys, but it is more for a baritone vocal range. It is a good selection of songs for anyone who can sing in a lower range. I would recommend this to anyone with that range, but I am a tenor. I should make sure I am getting a songbook in my range next time.

I purchased this album mainly for Steve Green's "People Need the Lord" sheet music. I now have that, and 15 other assorted song arrangements for use in church as a musician. Copy is in good used condition, so happy for the savings, very useable. :-)

An EXCELLENT CD--a must for any Christian artist album collector. Steve Green is truly one of the phenomenal voices of this genre.
