Entering The Program: A Futuristic Medical HuCow Erotica Short Series (HuCow Program)

Synopsis

"What we do here is offer a service for the wealthy—mostly wealthy men—though there are sometimes women interested!—who enjoy the creamier things in life." I couldn't believe the mess my life was turning into. A really, really stupid plan with my boyfriend landed us both in handcuffs and awaiting trial for attempted robbery. My life was ruined! This would follow me forever, even after prison. How would I ever find an employer to trust me enough to hire me? After a quick ride to a beautiful farmhouse, though, I was offered an alternative. I could submit myself to something that had only been referred to as "the program," or I could take my prison sentence. I couldn't go to prison. What the program had in store for me on my first day is too hot to say here, but you'll never believe how the billionaire owner sampled my product, hard and without protection. Join me as I relive my first time in the program, and be sure to check back as I continue to tell my story! THIS EROTIC SHORT CONTAINS EXPLICIT SEXUAL CONTENT AND INVOLVES THEMES OF SUBMITTING TO THE ALPHA MALE, MEDICAL EXAMINATIONS, HUCOW, AND BAREBACK AND IS INTENDED FOR MATURE AUDIENCES ONLY!

Customer Reviews

How stupid can you be for a man? But since she doesn't want to go to jail so chooses the escape route. Turning herself into a HuCow and joining the program. Pity the book stops so soon, I wouldn't have mind to read some more action with her new clients.

The story was too short and read like a cliffhanger.
