Synopsis

THE NEW RACING THRILL RIDE FROM THE CREATOR OF OH! MY GODDESS
Toppu Uno never wanted to race motorcycles. He was perfectly content watching his sister ride--with his eagle eyes, he knew her lap times before the stopwatch did. When he's convinced to take a ride on a minibike for the first time, his hours of observation translate into instant skill on the track. But turning a quick lap and winning a race are two very different things, and Toppu's got a long way to go before he's ready for the big leagues--MotoGP, the highest level of two-wheeled road racing.

Customer Reviews

"The same kind of thrills as the best installments of The Fast and the Furious: fast rides, fierce competition, and the ever-present threat of crashing. Recommended." -The Manga Critic
