Made for a great keepsake gift

great score. love all ricordi publishings.

Good. Italian and English text both clear. Slightly easier to read than the earlier edition.

Very good!

Great

Fine. Not different from publications decades ago.

I would like to post five not four, but for the following reason/s. The score although newly dressed, and with some updated translations is sometimes a little difficult to ready. Some of the text print remains old and is, only occasionally, hard to read. For instance, a singer sang "how" instead of

"Now", because the word was not clear. This applies especially to the complex rhythmic- solo or often homophonic ensemble - portions of the piece with the difference between eights and sixteenths, with stems hard to see, where it is very important to go through and mark beats. However, all that said I am grateful to have it and it is nicely presented. I just think the printing needs updating. What an amazing piece!
