Age Range: 2 - 5 years

Grade Level: Preschool - Kindergarten

Customer Reviews

Bought as a gift, cute book.

A light hearted story about a snowball fight with the Frost Giants. As I have commented in other reviews, this one actually has a story as opposed to just a character overview like some of the other Marvel Golden Books.

My son is the only male in our household, so sometimes I don't feel like we do enough male things. I was excited to see some Marvel books for his age that wasn't comic books or something geared to a more advanced reader. He loves this story! He always seeks this book for story time. I like it when it seems like they're serious but they just all laugh at the end. It's a cute story with a nice friendly ending.

Cute but not the most interesting read, even for a 4 yr old who loves superheroes.

Good for 3 or 4 yr olds

good book kids like it

NO COMMENT

My 5 year old loves this book. He want me to read this to him at least 3 times a week. Gives him quite an imagination. He enjoys it.
