Synopsis

The Spanish language translation of the beloved classic The Story of Ferdinand, which is soon to be a major motion picture! I read this book when I was little. I am 72 now. For one reason unknown for me at that time, I never forgot this book. I still remember the cover and the drawings. I read it in Spanish. Today, when I have a grandson, I thought that this book (which I did not know it was going to be possible to get it), would be a must for my grandson to have it. It is tender, it speaks of peace, the love of nature and why not, rather romantic. I believe it is good for children, over all if they love animals.

Love this story. So sweet, about a bull who doesn't want to fight. I think he is Buddhist!

NECESITO ESCRIBIR EN ESPAÃƒÂOL... SORRY. ESTE LIBRO ES MARAVILLOSO Y NO SOLO HACE MUY FELIZ A MI HIJA, TAMBIÃƒÂN A MI. MUCHAS GRACIAS.

Tengo el libro en inglés y Esta versión en español iba a hacer un regalo para mi sobrino pero nunca llegó a su destino. Estamos tratando de resolver el problema aún.

Great story for kids with a real lesson. Remember it from a kid. Bought it for Spanish speaking friends. Same book with illustrations.

Great book. The delivery was also fast and excellent.

So happy to be able to read in Spanish. And share this favorite story .

What a joy this book has bought my children (the English version) my son did a community service in Guatemala , I sent this book in the Spanish version for the orphanage, the children enjoyed hearing the story over and over again.
