A Bible that should be given to every Christian teenager who wants an in-dept study to God's Word.

This was sent to my granddaughter and as a result she became a Christian. Easy reading and I have one myself and highly recommend it for new Christians and for those who need a clearer understanding of scriptures.

All was great and arrived promptly :)

We all love it! And we have recommended to it all of our friends! You should try it!! Thank you!

For years it seems the NIV "The Student Bible" has dominated the landscape of Bibles for students. "The Rock" is-without a doubt-the new standard. The readability of the New Living Translation coupled with the excellent commentary and helps makes this the Bible of choice for my Student Ministry.

I work with the youth at my church and I highly recommend this particular Bible. When they created this Bible they did a good job. This student Bible has incites from one of the leading youth authors and leaders Josh Mc Dowell. His incites are PRICELESS. This Bible has life questions for the youth reader to answer and also true and false questions with the scripture references to help youth understand the scriptures. The New Living Translation is so EASY to READ. I highly recommend this Bible simply because of the incites of Josh McDowell and the easy to understand translation. GOD BLESS YOU ON YOUR JOURNEY.

I am 15. I've been a Christian for 11 years. I've read my Bible every day of my life, and God never ceases to speak to me, even when I don't understand some of what I'm reading. I picked up The Rock and God totally rocked my world!! I understand EVERYTHING and it's so relevant to me!! I definitely recommend this!!
