Customer Reviews

I loved reading this! So much variety in it and very accessible to get to from place to place. I've been a resident of Kansas City for 20 years and this gave me information that I didn't even know about! I'm excited to check these places out!! This is a 'must have' whether you are visiting or live here. Kansas City is full of wonderful things to do.

This book really made me want to do the exact itinerary and I have lived in Kansas City for a long

time but now I realize how much I have missed. And I love the means of travel suggested. I love going around without a car from streetcar to Uber. As soon as I get a chance I'm going to do the whole three day tour and take a vacation in my own town.

After more than 50 years of living in this wonderful city, we had (naturally) become lax in discovering and rediscovering sights and events. As I traveled from one heading to the next, I have a growing excitement in planning future excursions. Thank you, Jill Dutton
