# Klimt: 16 Art Stickers (Dover Art Stickers)

## Synopsis

With subtle chords of color and abstract ornamental forms, Gustav Klimt (1862-1918) created paintings that describe a neurotic and erotic world of figures trapped in a brilliant and bejeweled background. A founder of Vienna's anti-traditionalist art group, Sezession, he worked in a monumental style that stressed the importance of a flat surface and ornamentation. This splendid sticker collection presents 16 of his most famous works in miniature format, among them The Sunflower, The Kiss, Judith and Holofernes I and II, The Golden Knight, The Dancer, Adele Block-Bauer I and II, The Black Feather Hat, and 7 others. A strikingly original way to enhance letters, cards, and gift packages, these hauntingly beautiful stickers will delight art lovers and enchant admirers of this artist's work.

The stickers are good quality with a nice selection. They're pretty tiny tho, smaller than I expected them be but oh well I should've read the dimensions!

I love these! Totally fun way to add flair to school notebooks and folders!

We're using these as bookmarks - they are nicely reproduced and exactly as expected.

I don't know what I was expecting, I just really wanted the kiss sticker because I love that painting, but they're kind of smaller than expected and some are pixelated. I haven't used them but I'm not mad at my purchase..

These are really great stickers. The quality of the stickers themselves is great, and the image quality of the art itself is good considering the size of the stickers. A great buy for the price.

They are so beautiful, I love the quality of prints.

The item arrived on time and as expected. It includes most of the famous Klimt paintings, Water Snakes, The Kiss, Tree of Life (detailed), Three Ages of Woman, etc.

Bought as a gift. Gustav Klimt is one of my favorite artists. This set seems to have a nice selection of his works.
