Blind Prophet, Episode 3: The Prophet Goes To Washington

Synopsis

For all the superheroes who never were given a chance...Have you ever thought about...? Whether there might be demonic forces tempting people to division and strife? What would happen if the Federal Government passed restrictive gun laws, provoking armed gun-rights activists to protest by occupying the National Mall in Washington, DC? What would happen if the demons tempted one of the armed protesters to assassinate the president? Blind Prophet is the story of a boy born blind and autistic, who gains the power to peer into the spiritual realm, where demons tempt and angels defend. In this third installment of the series, the story takes a dramatic turn, as Daniel and Diana travel to Washington, DC, where Daniel is scheduled to perform a piano sonata for the president, and they discover armed demonstrators are occupying the National Mall. Using his new-found power to see into the spiritual realm, Daniel discovers that one of the protesters is being tempted by a demon to assassinate the president! Will anyone believe the blind, autistic child when he warns them of his prophetic visions? Special Note From The Author...Hello! My name is Joseph Cillo, Jr., the creator and writer of Blind Prophet. In this third installment of our story, the stakes begin to become apparent, as our hero and his mother wander into a dramatic conflict in Washington, with the country on the verge of civil war, but it still contains enough background so that a reader starting in Episode 3 can understand how the universe operates.. But, the good news is that Episode 1 is now available for FREE on , so you should be able to get all the background you need for FREE, even if you skip Episode 2, for some reason. You can always go back and catch up, if you do... The arc of the Blind Prophet story is very large, as is the arc of the Blind Prophet character. So, Episode 1 is mostly a story about the drama of a child being born blind and autistic. Episode 2 is a story more about this child gaining vision into the spiritual realm, and beginning to understand those visions. And, in Episode 3, our hero becomes more fully the "Blind Prophet," and begins a quest that will place him in a situation that will allow him to use his rather subtle power to save the world in a high-stakes comic book plot! What are people saying about Blind Prophet?"The premise is unique, a sort of hero you never hear about...In all honestly this book really shook me up. The story would be a great movie and with all the monsters and demons in movies nothing is more scarier than real life and this book is scary because it could happen." --neo-examiner.com"It most certainly does not pull any punches...It is quite a bit different from anything I have read before. The first teen I showed it to said, 'This is awesome.'" --Richard Lee Bruce"This is a comic book that deserves more attention and I recommend it for anyone interested in the supernatural aspect. It dives into religion but even being agnostic it doesn't bother me. It makes you wonder if there are two sides making you choose

between good and evil." --Escaping Reality, itsanescape.com We call the Blind Prophet a New Kind of Hero... We dedicate Blind Prophet, "For all the superheroes who never were given a chance..." Customer Reviews

The story line is great and very relevant to now. Creativity of the storyline and the illustrating quality helps to not only keep your attention, but also provides you with the vivid visualization to go along with it. The Daniel characters brings many symbolism into the storyline that makes complete sense without leaving you wonder what the purpose is. If you enjoy comics or graphic novel series with a good storyline, I highly recommend reading this.

I am a fan of the Blind Prophet. I have read Parts 1 and 2 and it's a great experience. It's all always leave you hanging wanting more. The story

is simple but it gets exciting every time.

We are but a slave planet... Spiritual growth & goodness in your heart will set you free from the evil powers that be.
