I was amazed at the depth of information in Knopf guides, so I bought Knopf guides for all my travel destinations this year. I found that the Tuscany guide had more-or-less the same information as the general Italy guide, so I'd suggest that you get the Italy guide if weight is not an issue for you. But if you're visiting a country, you really ought to have the Knopf guide. I have the Knopf guides for Egypt, Italy, and Tuscany. It's an absolute pleasure to read these books.
